## Children's Miracle Network

Achieva Credit Union gives back to our community in many ways, including fundraising for various charities. At the 2011 Children's Miracle Network Telethon held on the weekend of June 11 & 12, we presented a check for \$10,000 to directly benefit All Children's Hospital in St. Petersburg. This is the result of a year's worth of hard work on the part of our employees. We would like to thank our members for helping support this, and other important causes, throughout the year. Your generosity is inspiring!
